No. 730 of 1857.—The following Petition from the Native Commissioned Officers, Non-Commissioned Officers, and Sepoys of the 70th Regiment Native Infantry has been laid before the Governor General in Council :—

*Translation of a Petition from the undersigned Native Commissioned Officers of the 70th Regiment Native Infantry, to the Colonel Commanding the Regiment.*

*Barrackpore, 25th May 1857.*

It is reported that European Troops are going up to Delhi and other places, to coerce the mutinous and rebellious there, and we wish to be sent with them also.

In consequence of the misconduct of these traitors and scoundrels, confidence in us is weakened, although we are devoted to Government ; and we therefore trust that we may be sent wherever the European Troops go ; when having joined them, we will, by bravery even greater than theirs, regain our good name and trustworthiness. You will then know what really good Sepoys are.

The whole of the Native Officers, Non-Commissioned Officers, and Sepoys of the 70th Regiment Native Infantry, present at Head Quarters, expressed to their Commanding Officer, at a Parade on the 26th instant, their unanimous concurrence in the prayer of the above Petition, presented on their behalf by their Native Officers.

The Governor General in Council has received this Petition with the highest satisfaction. He has never doubted the fidelity of the 70th Regiment Native Infantry ; but that Regiment has been exposed to the influence of bad example, and the Governor General rejoices that it has vindicated its good name amongst the Regiments of the Bengal Army by this act of spontaneous and eager loyalty.

The 70th Regiment of Native Infantry has proved before all men, that it views with horror the atrocious crimes by which traitors and murderers have recently disgraced the name of the Sepoys of India, and that it has not been led astray by the malicious inventions of those who are seeking to inspire mistrust between the Government of India and its Soldiers.

The Governor General in Council thanks the 70th Regiment Native Infantry for this signal mark of their devotion. He is confident that their duty, wherever and against whomsoever they may be called upon to support the authority of the Government, will be zealously and be honorably performed ; and he directs that their Petition shall be placed on the records of the Army of Bengal, and that it shall be read with this General Order at the head of every Regiment and Company in the Service, at a Parade ordered for the purpose.

Fort William, 29th May 1857.

No. 731 of 1857.—The following Notifications, from the Public Works Department, are published in General Orders:—

No. 91, dated the 26th May 1857.—*Transfer*.—Mr. W. Willmot, C. E., 4th Class Executive Engineer, Umballa Division, is placed in charge of the Umritsur Drainage Works, *vice* Mr. Rickards, who has proceeded to Europe on leave on Medical certificate.

No. 92.—*Notification*.—With a view to affording the junior Officers in the Engineer Branch of the Public Works Establishments a longer period for qualifying themselves in the knowledge of the Native languages, the Right Hon'ble the Governor General in Council is pleased to direct that a fair colloquial knowledge of Hindoostanee shall be considered to be one of the necessary qualifications for appointment to the grade of Probationary Assistant Engineer, and that the more advanced examination shall not be rendered imperative, excepting on promotion to the rank of Special Assistant or Executive Engineer of the 4th Class.

The following modifications are consequently made in the Orders of the 17th June 1856:—

#### OLD RULE.

Para. 65. Candidates for employment as Probationary Assistant Engineers, not being Commissioned Officers, must pass the examination on professional subjects laid down for Commissioned Officers, and must also give proof that they have received a liberal education, to which end they must produce satisfactory evidence of having graduated at some recognized University, or must pass the examination laid down in G. O. P. C. No. 244, of 19th April 1851, omitting the subject of Fortification.

69. In all ordinary cases, Probationary Assistant Engineers will be examined as to their fitness for promotion to Assistant Engineer. If Engineer Officers, they must, before they can be examined, have served one year in India. If not Engineer Officers, they must have served one year as Probationary Assistant Engineers. Every Probationary Assistant Engineer, before he can be examined for promotion, must be favorably reported on by his official superiors, and must have passed the examination in the Hindoostanee language contemplated by G. O. G. G. 9th January 1837, or a similar examination in the language of the District in which he is to be employed. The examination which each will be required to undergo before he can be promoted, will be such as to show that he is capable of preparing designs and estimates for all descriptions of buildings and works usually required of Executive Engineers; that he is acquainted with the processes for preparing materials and with the modes of construction in use in India; that he has a good knowledge of the resources of the Districts in which he may have been employed, as to materials and of the best mode of applying them; and that he understands the management of work-people; also, that he has made himself acquainted with the Rules and understands the Forms of Account in use in the Department.

73. The appointment of an Executive Engineer to a particular class of that grade will depend on the services and merit of the individual and not on the particular charge he holds. Accuracy in keeping and punctuality in rendering accounts of expenditure will be particularly looked to in considering an Officer's claim to promotion in the Department.

No. 730 of 1857.—The following Petition, from the Native Commissioned Officers, Non-Commissioned Officers, and Sepoys of the 70th Regiment Native Infantry, has been laid before the Governor General in Council :—

*Translation of a Petition from the undersigned Native Commissioned Officers of the 70th Regiment Native Infantry, to the Colonel Commanding the Regiment.*

*Barrackpore, 25th May 1857.*

It is reported that European Troops are going up to Delhi and other places, to coerce the mutinous and rebellious there, and we wish to be sent with them also.

In consequence of the misconduct of these traitors and scoundrels, confidence in us is weakened, although we are devoted to Government; and we therefore trust that we may be sent wherever the European Troops go; when having joined them, we will, by bravery even greater than theirs, regain our good name and trustworthiness. You will then know what really good Sepoys are.

The whole of the Native Officers, Non-Commissioned Officers, and Sepoys of the 70th Regiment Native Infantry, present at Head Quarters, expressed to their Commanding Officer, at a Parade on the 26th Instant, their unanimous concurrence in the prayer of the above Petition, presented on their behalf by their Native Officers.

On receiving the foregoing communication, the Governor General proceeded to Barrackpore, and, at a Parade of the Troops there, ordered for the purpose, His Lordship addressed the 70th Regiment in the following terms, the address being interpreted to the Regiment by Major General Hearsey, C. B., Commanding the Presidency Division :—

" Native Officers and Soldiers of the 70th,—  
 " Your Petition reached me yesterday, and I am  
 " come to answer it.

" I have received it with delight; not because  
 " I doubted your fidelity, for I know the trust  
 " that is reposed in you by your gallant Colo-  
 " nel; I know the high opinion which your  
 " brave General, with his long experience of the  
 " Sepoys of Bengal, entertains of you; and I  
 " have myself marked your good and faithful con-  
 " duct under recent bad example, when many fell  
 " away. I therefore felt sure of your loyalty. But  
 " your Petition gives me pleasure, because it is an

" open contradiction of the rumour which has gone  
 " abroad, that the faithlessness of some Regiments  
 " has tainted all within their reach. You have  
 " refuted the unjust suspicion nobly.

" Men of the 70th, I will answer your Petition.  
 " You have asked to be sent to meet the mutineers  
 " of Delhi. You shall go. In a few days, as soon  
 " as the arrangements can be made for your pro-  
 " gress, you shall proceed to the North West.

" You have promised that in acting against the  
 " rebels you will excel your European comrades  
 " in bravery. I believe that you will vie with  
 " them worthily. You will have loyalty, truth,  
 " and humanity on your side,—if, unhappily, the  
 " misguided men whose acts have moved your in-  
 " dignation continue to resist the Government.

" But you have another duty to perform. You  
 " are going where you will find men, your brothers  
 " in arms, who have been deluded into the sus-  
 " picion against which you have stood firm, that  
 " the Government has designs against their reli-  
 " gion or their caste. Say to them that you at  
 " least do not credit this; that you know it to be  
 " untrue; that for a hundred years the British  
 " Government has carefully respected the feelings  
 " of its Indian subjects in matters of caste and  
 " religion.

" You may even hear it asserted that the Go-  
 " vernor General has come amongst you deter-  
 " mined to disregard those feelings, and to do  
 " injury to your caste, openly or secretly. If you  
 " find any who believe this senseless fable, say to  
 " them that I, your Governor General, have told  
 " you, with my own lips, that it is false. Say to  
 " them that the authority of the Queen of England  
 " extends into every quarter of the globe, and over  
 " people of every creed, and that it has never done  
 " violence to the conscience of any man.

" Tell them this; make them listen to it; and  
 " you will do useful and friendly service to them.

" And now, Native Officers and men of the  
 " 70th, I bid you good bye. I know that I shall  
 " hear good of you. Trust your Officers. Look to  
 " your Colonel as your friend and guide. Look  
 " to the Government as children look to their  
 " father. Let me hear that you have done your  
 " duty, and I shall know how to mark with  
 " distinction the zeal and faithfulness of the  
 " Seventieth."

The Governor General in Council has received this Petition with the highest satisfaction. He has never doubted the fidelity of the 70th Regiment Native Infantry; but that Regiment has been exposed to the influence of bad example, and the Governor General rejoices that it has vindicated its good name amongst the Regiments of the Bengal Army by this act of spontaneous and eager loyalty.

The 70th Regiment of Native Infantry has proved before all men, that it views with horror the atrocious crimes by which traitors and murderers have recently disgraced the name of the Sepoys of India, and that it has not been led astray by the malicious inventions of those who are seeking to inspire mistrust between the Government of India and its Soldiers.

The Governor General in Council thanks the 70th Regiment Native Infantry for this signal

mark of their devotion. He is confident that their duty, wherever and against whomsoever they may be called upon to support the authority of the Government, will be zealously and honorably performed; and he directs that their Petition shall be placed on the records of the Army of Bengal, and that it shall be read with this General Order at the head of every Regiment and Company in the Service, at a Parade ordered for the purpose.

W. MORGAN,  
*Clerk of the Council.*

*No. 753 of 1857.*—The Officer Commanding the Ramgurh Force has reported that the Native Officers and men of the Ramgurh Irregular Cavalry have unanimously requested that the Government should be assured of their earnest desire to have an opportunity of proving their fidelity to the State.

It has further been brought to notice, that these brave men have written to their companions now absent on leave in the Delhi territory, desiring them to tender their services to the General Commanding the Meerut Division.

A similar good spirit is stated to animate the Ramgurh Light Infantry.

The Governor General in Council receives this report with high satisfaction.

The Ramgurh Irregular Cavalry is distinguished by its services in Burmah; and of its firm allegiance the Government has no doubt.

The Governor General in Council hereby conveys his thanks to the Ramgurh Force for this demonstration of their loyalty; and he directs that the offer of their services be entered on the records of the Army of Bengal, and that this General Order be read at the head of every Regiment, Troop and Company in the Service, at a Parade ordered for the purpose.

*No. 754 of 1857.*—The Right Hon'ble the Governor General in Council has received with much satisfaction a report, that the whole of the 6th Regiment Native Infantry at Allahabad have expressed their loyalty to the Government and their desire to be led against the Mutineers at Delhi; and also a further report, that the three Companies of the 34th Regiment Native Infantry at Barrackpore have expressed themselves in the same soldier-like manner.

The Governor General in Council thanks the men of these Regiments for this mark of their devotion, and directs that this tender of their services, at a time when so many misguided Soldiers of the Bengal Army have swerved from their allegiance to the State, shall be placed among the records of Government, and shall be read at the head of every Regiment, Troop and Company at a Parade ordered for the purpose.

*Fort William, 5th June 1857.*

*No. 755 of 1857.*—With deep sorrow the Right Honorable the Governor General in Council discharges the painful duty of announcing to the Army of India the death of His Excellency General the Hon'ble George Anson, Commander-in-Chief of Her Majesty's and the Honorable Company's Forces in India.

This sad event took place on the 27th ultimo, at Umballa, after a short illness.

In General Anson the Army of India has lost a Commander than whom none was ever more earnest and indefatigable in labouring to improve the condition, extend the comforts, and increase the efficiency of every branch of the Service committed to his charge.

To the Crown and the Hon'ble East India Company whom he has served so zealously, as well as to the Troops who have been his unceasing care, General Anson's untimely end in the midst of arduous duties will, the Governor General in Council feels assured, be a source of the sincerest grief.

The Governor General in Council directs that, as a mark of respect to the late Commander-in-Chief, the Flag of the Fort shall to-morrow be hoisted half mast high, and that seventeen Minute Guns, according with the rank which he held, shall be fired from the Fort.

The same honors are to be paid to the memory of General Anson at each of the principal Military Stations in India, on receipt of this Order.

The Governor General in Council further directs, that the Officers of Her Majesty's and the Hon'ble Company's Army shall wear mourning for fourteen days from the day on which this Order is received at their respective Stations.

*No. 756 of 1857.*—The Right Hon'ble the Governor General of India in Council is pleased to direct that His Excellency Lieutenant-General Sir Henry Somerset, K. C. B. and K. His Lordship in Council is pleased to make the following appointments:—

Major General T. Reed, C. B., Her Majesty's Service, Commanding the Peshawur Division, the Senior Officer in Bengal, is appointed Provincial Commander-in-Chief, until the arrival at Calcutta of Lieutenant-General Sir P. Grant, K. C. B., Commander-in-Chief of the Madras Army, whom it has been determined by the Governor General in Council to place in the position of Acting Commander-in-Chief in Bengal, pending the appointment of a successor to His Excellency General the Hon'ble George Anson, deceased.

Brigadier Sydney John Cotton to be a Brigadier General and to Command the Peshawur Division, during the time that Major General Reed holds the Office of Provincial Commander-in-Chief.

No. 757 of 1857.—The Calcutta Regiment of Militia has, through its Commanding Officer, preferred a request to be permitted to proceed to any part of the Empire, by sea or by land, in which the Government of India shall consider that its services may, at the present moment, be most useful.

The Right Hon'ble the Governor General in Council has received with great satisfaction this expression of zeal and loyalty on the part of the Calcutta Militia.

This is not the first occasion on which this Regiment has come forward to place its unrestricted services at the disposal of the Government. The public spirit now again evinced by the Calcutta Militia calls for the thanks of the Government of India, and the Right Hon'ble the Governor General in Council directs that these thanks may be publicly conveyed to the Native Commissioned Officers, Non-Commissioned Officers, and Sepoys of the Regiment, and be recorded in General Orders and read at the head of every Regiment, Troop and Company in the Service, at a Parade ordered for the purpose.

WITH deep sorrow the Right Honorable the Governor General in Council discharges the painful duty of announcing to the Army of India the death of His Excellency General the Hon'ble George Anson, Commander-in-Chief of Her Majesty's and the Honorable Company's Forces in India.

This sad event took place on the 27th ultimo, at Umballa, after a short illness.

To the Crown and the Hon'ble East India Company whom he has served so zealously, as well as to the Troops who have been his unceasing care, General Anson's untimely end in the midst of arduous duties will, the Governor General in Council feels assured, be a source of the sincerest grief.

The Governor General in Council directs that, as a mark of respect to the late Commander-in-Chief, the Flag of the Fort shall to-morrow be hoisted half mast high, and that seventeen Minute Guns, according with the rank which he held, shall be fired from the Fort.

The same honors are to be paid to the memory of General Anson at each of the principal Military Stations in India, on receipt of this Order.

The Governor General in Council further directs, that the Officers of Her Majesty's and the Hon'ble Company's Army shall wear mourning for fourteen days from the day on which this Order is received at their respective Stations.

II. Whenever it shall be proved, by oath or affirmation, to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there is reasonable cause to suspect that any Junk or Vessel in any Port or place within the limits of the said Station is a piratical Vessel, or belongs to pirates, or is intended to be used for piratical purposes or for the purpose of knowingly trading with or supplying pirates, he may, by an order in writing signed by him, cause such Junk or Vessel, together with her tackle, apparel, and furniture, arms, stores, and ammunition, and the goods and merchandize laden therein, or any portion thereof, to be seized and detained.

VI. Whenever it shall be made to appear to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there are reasonable grounds to suspect that any Junk or Native Vessel is about to proceed to Sea from any Port or place within the said Station so manned, armed, equipped, furnished, or fitted out, as to afford reasonable ground to suspect that the said Vessel is intended for piratical purposes, it shall

be lawful for the said Chief Civil Authority to take such measures as may be necessary or proper to prevent such Vessel from proceeding to Sea from such Port or place, so long as the same is manned, armed, equipped, furnished, or fitted out beyond what he may deem sufficient for the due navigation and protection thereof as a Trading Vessel.

*An Act to consolidate and amend the law relating to the cultivation of the Poppy and the manufacture of Opium in the Presidency of Fort William in Bengal.*

WHEREAS the existing law relating to the cultivation of the Poppy and the manufacture of Opium on account of Government is in some respects inconsistent with the practice which now obtains under agreement between the Opium Agents and the cultivators, and it is expedient that such inconsistency should be removed; and whereas it is also expedient that certain obsolete Regulations relating to the provision of Opium should be formally repealed, and that the laws for preventing the illicit cultivation of the Poppy, and for regulating the cultivation of the Poppy and the manufacture of Opium on account of Government, should be consolidated and amended: It is enacted as follows :—

I. Regulation XXXII. 1793, Regulation XXXII. 1795, Regulation LIII. 1795, Sections 1 to XL

Laws repealed.

of Regulation XIII. 1816, and Clauses 1 to 5 Section XVIII and Sections XXIII and XXIV of Regulation VII. 1824, of the Bengal Code, are hereby repealed, except so far as they repeal the whole or part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred, before the passing of this Act.

II. The cultivation of the Poppy and the manufacture of Opium within the territories under the Presidency of Fort William in Bengal, except on account of Government, are hereby prohibited.

III. The superintendence of the provision of Opium for Government shall be intrusted to Agents, or other Officers, being covenanted servants of the Company, duly appointed by Government in that behalf, who shall perform the duties connected therewith under the control and direction of the Board of Revenue in Calcutta. The Agents, or other Officers as aforesaid, shall be assisted by Deputy Agents and Sub-deputy Agents, or such other Officers, covenanted or uncovenanted, as the Government may from time to time appoint for the purpose. The Collector of the District shall ordinarily, and unless Government shall otherwise direct, be *ex-officio* Deputy Agent; and the relative duties and powers of the Deputy Agents and Sub-deputy Agents shall be from time to time regulated by the said Board with the sanction of Government.

IV. The Opium Agents, and their subordinate Officers of every description, are declared amenable to the Civil Courts for all acts done by them in their official capacity, except as otherwise herein provided. But no suit shall be instituted against an Agent, or any subordinate Officer, for any act done in his official capacity, unless the person who shall consider himself aggrieved by the act of such Agent or Officer shall have first made application for redress to the Agent himself. In the event of such person not being satisfied with the order which the Agent may pass upon his application, it shall then be competent to him either to lay his case by petition before the Board of Revenue, or at once to seek redress in the Civil Court.

V. The Opium Agents shall not in their official capacity institute any suit in a Civil Court without the previous sanction of the Board of Revenue.

VI. In cases in which the Board of Revenue may judge it expedient, or in which they may be so directed by Government, they may take upon themselves, or entrust to an Officer specially appointed for the purpose, the superintendence of the prosecution or defence of any suit or appeal in which they, or an Agent, or any other Officer subordinate to them, may be engaged, instead of leaving such superintendence to the Agent or any other Officer.

VII. The Board of Revenue, with the sanction of Government, shall from time to time fix the limits within which licenses may be given for the cultivation of the Poppy on account of Government. With the like sanction they shall from time to time fix the price to be paid to the cultivators for the Opium produced. The price shall be fixed at a certain sum per seer of eighty tolahs for Opium of a certain standard consistence, and shall be subject to a rateable reduction, according to a scale sanctioned by the Board of Revenue, for Opium of a consistence below the standard.

VIII. The Sub-deputy Agents, or other Officers entrusted with the superintendence of the cultivation, shall, at the proper period of the year, issue licenses to the cultivators, who may choose to engage to cultivate the Poppy, and to deliver the produce to the Officers of Government at the established rates. Every license shall specify the number of beegahs which the party engages and is authorized to cultivate, and shall be in such form as the Agent, with the sanction of the Board of Revenue, may direct. A counter-part engagement, in conformity with the tenor of the license, shall be taken from the cultivator.

IX. It shall be at the option of every cultivator to enter into engagements for the cultivation of the Poppy or not as he may think fit; and any Sub-deputy Agent or other Officer as aforesaid, or any inferior Officer employed in the provision of Opium, who shall compel, or use any means to compel, any cultivator to enter into engagements, or to receive advances, for the cultivation of the Poppy, shall be liable to be dismissed from his situation. It shall be at the option of the Sub-deputy Agent, or other Officer as aforesaid, to withhold a license from any cultivator whenever he may think proper so to do. Any person to whom a license has been refused may appeal to the Agent, and the decision of the Agent shall be final.

X. If it shall be found that any cultivator, who has received advances from Government, has not cultivated the full quantity of land for which he received such advances, he shall be liable to a penalty of three times the amount of the advances received for the land which he has failed to cultivate; and the said penalty may be adjudged by the Deputy Agent or Collector, on the complaint of the Sub-deputy Agent or other Officer as aforesaid. Any person dissatisfied with the judgment of the Deputy Agent or Collector may appeal to the Agent, and the decision of the Agent shall be final.

XI. All Opium the produce of land cultivated with Poppy on account of Government, shall be delivered by the cultivators to the Sub-deputy Agents or other District Officers, or shall

be brought by them to the Sudder Factory, as the Agent may direct. And no such Opium shall be liable to be distrained or attached by a Zemindar or other proprietor, or a farmer of land, for the recovery of arrears of rent, or by any other creditor of a cultivator under any order or decree of Court, but the sum due to the cultivator on account of such Opium may be attached by order of Court in the hands of the Agent or of the District Officer under the rules in force for such attachments.

XII. All Opium delivered by the cultivators to the Sub-deputy Agent or other District Officer, shall, before it is forwarded to the Sudder Factory, be weighed, examined, and classified according to its quality and consistence by that Officer, or his assistant if duly authorized by the Agent in that behalf, in the presence of the cultivators and in conformity with rules sanctioned by the Board of Revenue. Any cultivator, who may be dissatisfied with the classification of the District Officer, shall be at liberty either to take his Opium to the Sudder Factory, or to have it forwarded thither by such Officer separate from the Opium respecting which no dispute has arisen.

XIII. All Opium forwarded by the District Officers to the Sudder Factory, and all Opium delivered at the Sudder Factory by the cultivators, shall be there weighed and examined by the Opium Examiner, or other Officer duly authorized in that behalf, agreeably to rules sanctioned by the Board of Revenue; and the quality and consistence of the Opium, and the deductions from, or additions (if any) to the standard price to be made in accordance with the said rules, shall be determined by the result of such examination. The decision of the Examiner, or of the Agent in cases in which a reference to the Agent may be prescribed by the said rules, shall be final and conclusive, and not open to question in any Court.

XIV. When Opium delivered by a cultivator either to a District Officer, or at the Sudder Factory, is suspected of being adulterated with any foreign substance, it shall be immediately sealed up pending examination by the Opium Examiner, and notice of such intended examination shall be given to the cultivator. If upon such examination the Opium shall be found to be so adulterated, the Agent on the report of the Examiner may order that it be confiscated; and the order of the Agent shall be final, and not open to question in any Court.

XV. The weights and scales made use of in the Sudder Factories, and at the District Kothees shall be provided by the Board of Revenue. Every District Officer shall annually, before beginning to weigh the Opium of the season, examine the weights and scales in use in his District, and shall report the result of such examination to the Agent. The Agent shall make a similar examination of the weights and scales of the Sudder Factory, and shall report the result to the Board. No weights

or scales shall be made use of which on any such examination have not been found to be strictly accurate. It shall be the duty of all Officers who may superintend the weighing of Opium, to see that the Opium is weighed fairly with an even beam, and the practice of taking excess weight for the purpose of turning the scale, or as an allowance for dryage and wastage, is hereby prohibited.

**XVI.** The accounts of the cultivators shall be adjusted annually by the District Officers as soon after the conclusion of the weighing and examination as possible; and

any balance that may remain due from any cultivator, or from any muhto or intermediate manager, may be recovered by the District Officer by distress and sale of the property of the defaulter or of his surety, in the same manner and under the same rules as the property of defaulting cultivators in estates held khas may be distrained and sold by the Collector for the recovery of an arrear of rent

**XIX.** Any cultivator entering into engagements for the cultivation of the Poppy on account of Government, who may embezzle, or otherwise illegally dispose of, any part of the Opium produced, shall be liable to a penalty not exceeding ten times the fixed price of the Opium which he may be proved to have so disposed of, or to a fine not exceeding five hundred Rupees, if the amount of the said penalty be less than that sum, and the Opium, if found, shall be liable to confiscation.

He shall at the same time take security from the cultivator of the said land for his appearance before the Magistrate; and in the event of such cultivator not giving the required security, he shall send him in custody to the Magistrate.

I. Whoever intentionally seduces or endeavours to seduce any Officer or Soldier in the service or pay of the East India Company from his allegiance to the British Government or his duty to the East India Company, or intentionally excites or stirs up, or endeavours to excite or stir up, any such Officer or Soldier, or any Officer or Soldier serving in any part of the British Territories in India in aid of the Troops of the British Government, to commit any act of mutiny or sedition; and whoever intentionally causes, or endeavours to cause, any other person to commit any such offence—shall be liable upon conviction to the punishment of death or to the punishment of transportation for life, or of imprisonment with hard labor for any term not exceeding 14 years; and shall forfeit all his property and effects of every description.

II. Whoever shall knowingly harbour or conceal any person who shall have been guilty of any offence mentioned in the preceding Section, shall be liable to imprisonment, with or without hard labor, for any term not exceeding seven years, and shall also be liable to fine.

III. It shall be lawful for the Governor General of India in Council, from time to time, by Order in Council, to empower every General or other Officer having the Command of Troops in the Service of Her Majesty or of the East India Company, or any of such General or other Officers, to appoint General Courts Martial for the trial of any person or persons charged with having committed an offence punishable by this Act or by Section I or Section II of Act XI of 1857, and also to confirm and carry into effect any sentence of such Court Martial.

IV. Any General Court Martial, which may be appointed under the authority of this Act, shall be appointed by the Senior Officer on the spot, and shall consist of not less than five Commissioned Officers, the number to be fixed by the General or other Officer appointing the Court Martial. V. Sentence of death or other punishment, to which the offender is liable by law, may be given by such Court Martial, if a majority of the Members present concur in the sentence; and any such sentence may be confirmed by and carried into effect, immediately or otherwise, by order of the Officer by whom the Court Martial shall have been appointed, or, in case of his absence, by the Senior Officer on the spot.

VI. It shall be lawful for the Governor General in Council to countermand or alter any Order in Council which may be issued under the authority of this Act.

VII. It shall be lawful for the Governor General in Council, or for the Executive Government of any Presidency or place, or for any person or persons whom the Governor General in Council may authorize so to do, from time to time, to issue a commission for the trial of all or any persons or person charged with having committed within any District described in the Commission, whether such District shall or shall not have been proclaimed to be in a state of rebellion, any offence punishable by Sections I and II of Act XI of 1857, or by this Act, or any other crime against the State, or murder, arson, robbery, or other heinous crime against person or property.

VIII. The Commissioner or Commissioners authorized by any such Commission, may hold a Court in any part of the District mentioned in the Commission, and may there try any person for any of the said crimes committed within any part thereof, it being the intention of this Act, that the District mentioned in the Commission shall, for the purpose of trial and punishment of any of the said offences, be deemed one District.

IX. X. If a Commission be issued under the authority of this Act, any Magistrate, &c., may commit for trial in the District described in the Commission any persons charged with any of the aforesaid crimes within such District for trial before a Court to be held under this Act.

XI. Nothing in this Act shall extend to the trial or punishment of any of Her Majesty's natural-born subjects born in Europe, or of the children of such subjects.
